Provide a short overview of the nature of your organisation's interest in the ACGDA or its geothermal projects. If required, attach any supporting information, however this not compulsory at the Expression of Interest stage.

AUTHORISATION

SIGNATURE

DATE / / 2012

This registration form is provided for general project marketing and information purposes only and does not obligate any party (neither the Applicant, Activated Logic or the partners of the ACGDA) to any commitment under any circumstances.

SUBMISSION INSTRUCTIONS

The completed Registration Form, including suitable authorisation by the nominated contact person of the organisation, should be sent to the submission email address in pdf format, before the due date.

Submission address: geothermal@activatedlogic.com

Registrations close: To be advised.

Project reference no: AL02/466/01

IMPORTANT NOTICES

The process of requiring parties interested in the ACGDA or its geothermal projects to complete this Registration Form is driven by the intention to initiate a dialogue with potentially suitable partners and provide additional information to qualified parties.

Notwithstanding the intention, neither Activated Logic or ACGDA partners provide any assurances in relation to the provision of additional information regarding the ACGDA or its geothermal projects.
